

AzLE Fund K

EGP Conservative Fund

Investment Objective

The objective of the fund is to seek long term growth of the invested capital through investing in a low volatility and diversified portfolio of assets mainly denominated in Egyptian Pounds.

Fixed income investment strategy consists of an active selection of a range of instruments including securities, deposits, government and corporate bonds.

The fund will selectively diversify into blue-chip stocks to enhance returns. Stock selection and timing will be made against a medium-term horizon.
